**At The Home of Laura & Colby Clark
3509 Salisbury Road, Mountain Brook**

The Villa Wofford-Clark (the 2006 Decorators' ShowHouse) with its Italianate architecture and beautiful gardens will be the quintessential venue for a night in Venice.

Laura and Colby Clark invite you to an evening that celebrates the Carnival of Venice. Upon your arrival, you will be greeted by young people dressed in carnival attire. Mr. and Mrs. Clark and Wynfrey Occasions will provide an elegant dinner of wonderful Venetian dishes served by "gondoliers".

Did you know that one of the most popular desserts in the world "Tiramisu" originated in Venice?

Strolling musicians will entertain you with Italian songs and you will have a chance to bid on exquisite hand made jewelry and a Murano glass sculpture fashioned by a Master glassmaker. Original Venetian masks will also be available for sale.
