Experience an evening of beautiful music by members of the Alabama Symphony Orchestra and wander through this lovely home in Vestavia Hills. Your gracious hosts, Chandler and Jane, have opened their exceptional home, which was featured in the premier issue of *Southern Accents* in 1977, for a night of music, wine and hors d'oeuvres.

The evening will feature ASO string members Mayumi Masri, Anne Pandolfi, Rene Reder and Wei Liu in a Salon Concert of classical music. The Salon Concert will begin at 7:30 PM.

After the concert, guests are invited to enjoy the savory and sweet delights prepared by Chef Franklin Biggs - Franklin's Homewood Gourmet. Wine will be provided by friends and members of the Symphony Volunteer Council.
