**Saturday, April 19, 2008
6:30 PM
At The Home of David Shelby
2914 Carlisle Road, Redmont**

Spend an unforgettable evening in Paris at the Ireland-Shelby estate, the site of the 2002 Decorators' ShowHouse. This historic Scottish Baronial home will be transformed into a magnificent setting for a magical evening in the City of Lights.

Your host, David Shelby, invites you to join him for dinner set in an outdoor Parisian café, followed by dancing in the moonlight. A menu of classic French dishes will be served, including decadent French pastries and desserts to enjoy with coffee.

The entire evening will be set against a musical backdrop featuring the songs of favorite French performers, including Edith Piaf, Serge Gainsbourg, Charles Aznavour and Yves Montand.

After this enticing taste of France, why not visit the real thing? Offered to the highest bidder is an unforgettable vacation in the South of France, where you will stay at the farm and chateau owned by world-renowned French chef Alain Ducasse.
